

ORCHESTRA

IN-WALL

Driven by passion.

The **Orchestra in-wall** speaker combines discretion and performance to deliver high-fidelity sound in any room. Its basalt-fiber cone mid-woofer and soft-dome tweeter ensure optimal sound quality, while its square magnetic grille blends in with your décor.

Highlights

Composite basalt cone

Soft dome tweeter with gain control (+3/0/-3dB)

Removable, paintable magnetic grille

Quick installation with included cutting template

Technical Specifications
